Anthony did his usual excellent job with his lidded box demo. Thanks Anthony!

Next meeting: February 3rd

David Bartlett, Chip Siskey and Alex Garcia will be walking us through how to tune-up our lathe, grinder and bandsaw. If time permits, David will demo the Beal Buffing System.

And the winners are...

Congratulations to our own Kent Townsend and Chip Siskey for taking awards in the sculpture division at the 37th annual Albrecht-Kemper Museum of Art Annual Membership Exhibition. Kent took second place for his large ambrosia maple platter named *Hidden Beauty*. Chip took first honorable mention at the St. Joseph event for his piece named *Released*, a Chakte Viga burl form.

Show & Tell

The Woodworking Show is over for another year. For those of you that couldn't make it, our booth was right at the entrance and looked great. We kept both lathes turning and had a lot of interest in our club. Thanks to all those who helped set up, tear down and otherwise man the booth. Great job!

The 2011 officers need your input! Be thinking of the sorts of things that you want to see in demonstration. Think about who you might like to see as a guest turner from the area or from afar.

BRING BACK NWT BOOKS & VIDEO!! You have to bring things back so we know what we need to buy in order to fill out our library!! Please, please, PLEASE!

The club has recently added several new videos and one book to the library.

New for 2011, we are charging a **\$10** fee for **membership dues**. These dues, combined with proceeds from the monthly raffle and gas plug sales, will allow us to do some bigger things such as bringing **Alan Lacer** to KC this spring. Please submit your dues to Chip. Checks can be made payable to *Northland Woodturners*.
