October Meeting

Business

Vice President David Bartlett opened the meeting.

We welcomed visitor Stephen Serroque.

Kent Townsend announced that long time member Bill Wheeler had donated some wood to the club (walnut, ash and cherry). He also donated a set of woodworking encyclopedias and magazines along with the bookshelves to hold them. Thanks Bill for the generous gifts!

David had flyers on workshops in Wisconsin and S.W. Missouri. He asked if there was any interest in getting a presenter for another workshop here. He had received information on the availability of Ernie Conover. There was interest in a workshop but it was suggested we look at more options before picking a presenter.

Plugs were discussed. Francis Logan volunteered to help cut some blanks.

Alex Garcia reminded everyone that he is able to post pictures of member projects on our website. Each member is limited to 5 pictures. Just email them to agarcia@dragonhollow.com.

Chip is checking into a possible program on how photograph our turnings. Alex mentioned that he and Bruce might be able to put together a program if no one else can be found.

Nancy Martin brought cider donuts for the meeting! Thank you very much, Nancy!
