## January Program

Jerry McMaster put on an excellent program on thin wall turning, surface treatment and piercing. Jerry walked us through turning a clamshell medallion. He demonstrated his piercing techniques and brought a collection of some of his beautiful pieces. Thanks to Jerry for a great program!

## Chapter meetings:

First Thursday of each month, 7-9 pm at the old Stephenson's Apple Orchard restaurant near 56<sup>th</sup> Street and I-29. The address is: **5755 NW Northwood KC Mo. 64151**

## Coming Attractions

- |            |  |
|------------|--|
| February 7 | Turning a plate using glue blocks      |
| March 7    | Cabriole Leg (Off-center Padfoot Leg). |

Jerry McMaster and some beautiful pieces from his collection.

## ***Business***

VP David Bartlett called the meeting to order.

David updated the club on the upcoming Woodworking Show:

- The show will be on the Kemper Arena grounds January 25, 26 & 27.
- We plan on loading up Thursday evening and set up Friday morning.
- We're looking for volunteers to help set up, tear down and work the booth. You must be an AAW member to do any turning at the booth but we need others to hand out brochures and answer questions on the club.
- Contact David if you will be able to help or if you have any questions.

David issued a club challenge for the February meeting: turn something that you would give as a Valentine's Day gift. Bring it to next meeting to enter the competition.

Kent Townsend brought copies of a handy metric-to-English conversion chart for anyone who wanted one.

We had our Show & Tell followed by a short break and had our raffle drawing.

## *Show & Tell*

Kent Townsend  
brought this  
Mesquite natural  
edge bowl.

Bruce Stevenson  
brought these two bolt  
action bullet pens. One  
was made from Tulip  
Wood and the other  
from camouflage  
acrylic.

*February Meeting*

David Bartlett will be turning a plate using a glue block to save wood. He is going to focus on using glue blocks with the faceplate, to show people they don't need a fancy chuck complete a project.

*March Meeting*

Ed Bergstedt will be making a Cabriole Leg (Off-center Padfoot Leg). The demo will be showing how to lay out the off-center turning and also how to correctly mount it. He will also describe the process for making pommel cuts, the transition from a square piece to round.
