March Program

Ed Bergstedt demonstrated making a Cabriole Leg (Off-center Padfoot Leg). He showed how to lay out the off-center turning and also how to correctly mount it. Ed explained the importance of accuracy during the layout and how a small error could make a big difference. He also demonstrated the process for making pommel cuts, the transition from a square piece to round. Thanks, Ed, for a very interesting program.

Business

President Dave Halter opened the meeting by welcoming 3 guests: Wayne Peterson, Glen Holcomb and Hale Lentz. Dave reminded everyone that the \$10 annual dues can be paid to Treasurer Chip.

VP David Bartlett made a request for programs or program ideas. Upcoming meetings may include favorite finishes and basic spindle turning.

David also reported that he, Kent Townsend, Chip Siskey and Larry Cory did a Saturday cleaning to get the club house back into shape after the plumbing problem. The members were very appreciative.

Chip reported that he had received another plug order and we needed more #4 plugs turned to complete the order.

Kent reported that he has some kiln dried maple available.

Alex had the new AAW brochures to hand out.

Club insurance was discussed. The AAW is again offering insurance but the clubs must now pay for it. Pres Dave has submitted the paperwork to enable us to participate in their program.

We had our Show & Tell followed by a short break and had our raffle drawing.

There were four entries in the Valentine's Day challenge. Kent Townsend was the winner.
