## October Program

The October meeting was a work session. We fired up all three lathes to work on a fifty piece order of #4 gas plugs. We didn't get them all turned that night but several members took boxes home to finish the order. We worked on getting ready for our upcoming move. We cut our raw material into more plug blanks. Harlan's pickup was filled with stuff destined for the dump. Chip provided some one-on-one sharpening training. Thank you to everyone that pitched in to help!

## Chapter meetings:

First Thursday of each month, 7-9 pm at the old Stephenson's Apple Orchard restaurant near 56<sup>th</sup> Street and I-29. The address is: **5755 NW Northwood KC Mo. 64151**

*Business Meeting*

Secretary Harlan Henke opened the meeting.

The main topic of discussion was once again the search for a new meeting location. We discussed the possibility of converting to a not-for-profit organization. It doesn't appear that would be of much help and would be a paper work burden as well as costing more to maintain. The Methodist church where we used to meet is undergoing a major expansion and all available space is tied up for storage and other uses. Several members reported that they had possible leads but nothing positive yet. Harlan said he would contact the new owner of our building to see if we might be able to get an extension. Everyone was encouraged to explore any possibilities.

We had our Show & Tell followed by a short break and our raffle.

**Show & Tell**

Bottle stopper, walnut lidded box and marking gauge by Wayne Peterson.

Bruce Stevenson brought this lidded box turned from a mystery wood.

Chip Siskey brought the bowl he started as part of last month's program (above left) and a fall themed bowl using the same technique (above right). He brought a pair of necklace pendants featuring inlaid aluminum crosses (below left) and a tea light (below right).

Kent Townsend brought these two pieces; a rosewood bowl (above) and a large ambrosia maple bowl (right).

November Meeting

Several things fell through at the last minute so at the time I needed to publish this newsletter we weren't sure what the program was going to be. I'm sure whatever we come up with will be interesting. You'll just have to come and see!

It is election time again so be thinking of nominations for our December election.
