## January Program

David Bartlett had the program this month. He turned a bowl on the bias. He started with a cube which he turned between centers by placing one corner directly in the spindle and the opposite corner in a live cup center with the point removed. He starts the shape and turns a spigot so he can reverse the mounting using a chuck. He discussed techniques for turning an interrupted cut. Thank you, David, for another fine and informative presentation.

### Business Meeting

President Dave Halter opened the meeting.

Chip reported that we were current on plug orders and that we came out \$10 in the red for 2013.

We discussed the upcoming woodworking show, February 28 – March 2. A sign-up sheet was started for those willing to help with the booth.

The next order of business was election of officers for 2014. Dave Halter and David Bartlett retained their positions of President and V.P., respectively. Chip Siskey stays on as Treasurer and Larry Settle will continue as Librarian. Andy Brundage replaces Harlan as Secretary/Newsletter Editor. Bruce Stevenson was not present to defend himself but we hope he will continue to be our photographer. Harlan Henke will assume the position of Plug Coordinator.

Kent Townsend announced that he was given an old Tom Lee Brand lathe and that it was available to anyone who would like a free lathe.

V.P. David Bartlett issued a challenge for the next meeting; turn something using a technique that you have not tried before. Expand your horizons!

We had our Show & Tell followed by a short break and our raffle.

### Show & Tell

Danny Smith brought this walnut and maple chess set.

He also brought this hackberry yarn bowl.

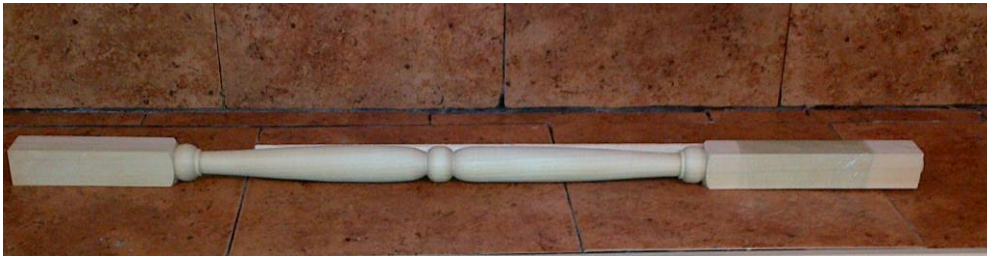

Kent Townsend brought this cottonwood burl natural edge vase.

Chip Siskey brought this maple vase that he's planning on trying piercing or pyrography on. He also brought the spindle below and discussed using a story board for laying out duplicates.

David Bartlett brought this unfinished square edge bowl, another example of a bowl turned on the bias and this bolt action cherry burl bullet pen.

*February Meeting*

Mike McReynolds will be our guest presenter. Mike's program will be on turning pepper mills.
