Event Information:

Program Preview in July was Cake, cookies and ice cream. Members brought the cake and cookies; the Club furnished the ice cream.

No show and Tell items were brought so the Program was the main feature.
A miniature bat was the featured challenge turning.

First up were David Bartlett and Chip Siskey.

Next were Mel Bryan and Tony Pore.

The last pair to turn was Dave Dinkel and Mikeal Jones.

Best Bat went to Tony Pore and “Also Ran” went to Mikeal Jones. Prizes were a neat Husky tool bag and a Folding knife by Iron Bridge.

Northland Woodturners has a well-stocked library with both print and video selections. Several of the selections have excellent instructional information as well as ideas for turning many kinds of wood. These resources can be checked out at each meeting and can be useful for new ideas and for review of accepted turning practices by well-respected authors.

The American Association of Woodturners (AAW) is also well represented in the selections in our library. Check one out and have fun turning wood!

This space is available to you—our members—for newsworthy information, sales, etc.

Just let the editor know.

Damage Control Plugs

Thanks to everyone who's helped with our plug orders. Our inventory is getting low so we will be asking for help getting restocked. There will be boxes of blanks at the next meeting. Please consider taking a box home and turning them by the following meeting. Here's a table with the plug dimensions for reference.

It's also on the CLUB NEWS tab of the club website at
